## ACTIVITY 2

# Ted's Travel Blog

## The non-stop traveler

Hello to all my readers. This week, I've decided to write about travel. Perhaps, like me, you've always thought that traveling is something for rich people. Well, now I think I've been wrong all this time. Why? Because I've discovered Nora Dunn.

Nora is one of a new kind of traveler – a professional world traveler. She travels all the time. Nora is from Toronto, Canada, and until she was 30, she had a business there. But then she made a big decision. Her dream was to travel the world – and to do it before she got old! So she sold her business and got rid of her belongings. And off she went.

Nora doesn't have rich parents or anyone who gives her money. And she doesn't have a high-paying job. But she's learned how to travel without spending lots of money.
